

An *earthquake* strikes,
the water supply is
out and the sewers
are broken... what are
you going to do?

When You Gotta Go...

Join Matt King to prepare yourself and your family with an interactive workshop covering:

- Experience and challenges from Christchurch
- What if? The Wellington situation
- Different toilet options - Advantages and Limitations
- Building and using your own emergency compost toilet- with free 'how to' guide

World Toilet Day – 19 November 2015 – 7pm to 8.30pm
Sustainability Trust, 2 Foresters Lane, Te Aro, Wellington

www.sustaintrust.org.nz
